|----------|----|
| 1. Chair | 3. |
| 2. | 4. |

The Dissertation Advisor has disclosed source(s) of support, holdings, and consulting arrangements that may pose potential conflict.

Have source(s) of support, holdings, and consulting arrangements changed since the last DAC meeting?

For 5th Year and Above: Is the student on a plausible track toward completion?

Has the student finished course requirements?

Has the student completed an IDP?

Brief summary of research progress since last report highlighting challenges:

The student and the DAC Chair can be most helpful if they contact one of the program directors anytime there are concerns about the PhD process, whether noted on this form or not - please email or call.

Student's productivity since last DAC meeting: Excellent Satisfactory Insufficient

Recommendations & recommended date for next meeting:

Signature of Chair:
