*Beginning in FY25 the PhD package includes \$1,000 in direct payments to students for dental and transportation subsidies. A one-time stipend payment of \$230 will be paid to students on 9/1/24, and two additional payments of \$385 each will also be released at the start of each semester (9/1/24 & 2/1/25).

In addition to the compensation package above, DMS offers a bonus program for students who receive extramural competitively awarded fellowships. Faculty are expected to support this in years G3+.

More information is available here: <https://dms.hms.harvard.edu/fellowship-incentive-policy>.

Student funding questions or adjustments should be directed to DMSAccounting@hms.harvard.edu.

The DMS Program Fee is due in the Fall semester.

FY25 rates will be in effect for the period of 7/1/2024 – 6/30/2025.

For budgeting purposes apply an inflationary increase to each category to estimate FY26 costs.
